REGISTRATION INFORMATION

Registration Fee Includes

- All course presentations
- Breakfast and lunch each day
- Program materials

Early Registration Deadline

Registration forms must be received by January 31, 2017 to receive the discounted early registration rate. All forms received between January 31 and March 3, 2017 will be assessed the regular registration fee. All forms received after March 3, 2017 will be assessed the late registration fee.

Registration Cancellation and Refund Policy

Registration refund requests must be submitted in writing no later than March 3, 2017. All refund requests will be subject to a \$100 processing fee. No refunds will be made after March 3, 2017.

Special Needs

For accommodations on the basis of disability or special dietary needs, please call (212) 201-6862.

Pre-Registrants

Specialty Review in Urology: Chicago Course pre-registrants will receive a complete registration packet on site at the registration/information desk located outside the designated ballroom.

HOTEL INFORMATION

Chicago Marriott Naperville
1801 North Naper Boulevard
Naperville, IL, 60563
Main: (630) 505-4900
Fax: (630) 687-6562

Room Rate: \$105.00 for single or double room

Hotel Deadline: Wednesday, March 1, 2017

Specialty Review in Urology: Chicago Course has negotiated a discounted rate of \$105.00 per night for a single or double room plus tax (currently 10.4%) at the Chicago Marriott Naperville. Suites are also available for \$148.00 per night plus tax.

Hotel Deadline

The deadline to receive the Specialty Review in Urology: Chicago Course group rate is March 1, 2017. *We encourage you to make your reservation early, as the hotel and discount block may sellout before this date. After this date or upon sellout of room block, reservations will be accepted based on availability and higher rates may apply.*

Reservations

Attendees are responsible for making their reservations by calling the hotel at (800) 228-9290. Please reference the Specialty Review in Urology: Chicago Course to receive the discounted rate.

Hotel Deposit and Cancellation Policy

A deposit equal to one night's stay, or guarantee with a major credit card, is required to hold a reservation. These deposits are fully refundable if the hotel is notified prior to 6:00PM on arrival date.

Educational Needs

Urology residents require a preparatory course to pass their board exams and practicing physicians need to prepare for recertification or simply to update their knowledge. Specialty Review in Urology: Chicago Course has been in existence for 39 years and has prepared generations of urologists. Many of the attendees have attended as residents and returned either as speakers or as physicians interested in an in-depth refresher.

Specialty Review in Urology: Chicago Course is a comprehensive review of the practical aspects of all major subspecialties of urology (including female urology, prostate cancer and prostatic diseases, erectile dysfunction, pediatric urology and urolithiasis). Experts are chosen for their excellence as teachers and will share their clinical expertise to help improve performance in practice. They guide attendees to appropriate use of medical and surgical treatment of the urologic patient. Major emphasis is placed on practical and clinical aspects, diagnostic tips and techniques; pitfalls are stressed, and differential diagnoses are covered.

Objectives

Upon completion of the course, participants should be able to

1. Review knowledge of basic science in the areas of anatomy, physiology, pharmacology, and pathology.
2. Apply the foundation of basic sciences to urologic studies.
3. Describe the latest accepted advances in adult and pediatric urology.
4. Distinguish between benign and malignant conditions and select appropriate diagnostic and treatment options.
5. Describe current management of common and unusual urologic problems.
6. Assess their knowledge level of state-of-the-art urologic care based on a comprehensive review of the specialty and formulate a plan for the effective study in the areas that need further review.
7. Evaluate normal and abnormal ultrasound, CT scans, and MR images of the urinary tract.
8. Recognize pathological manifestations of urologic disease.
9. Recognize appropriate and correct answers on exam-type questions.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Albert Einstein College of Medicine and MRCME, LLC. Albert Einstein College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Albert Einstein College of Medicine designates this live activity for a maximum of 32.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Equal Opportunity Statement

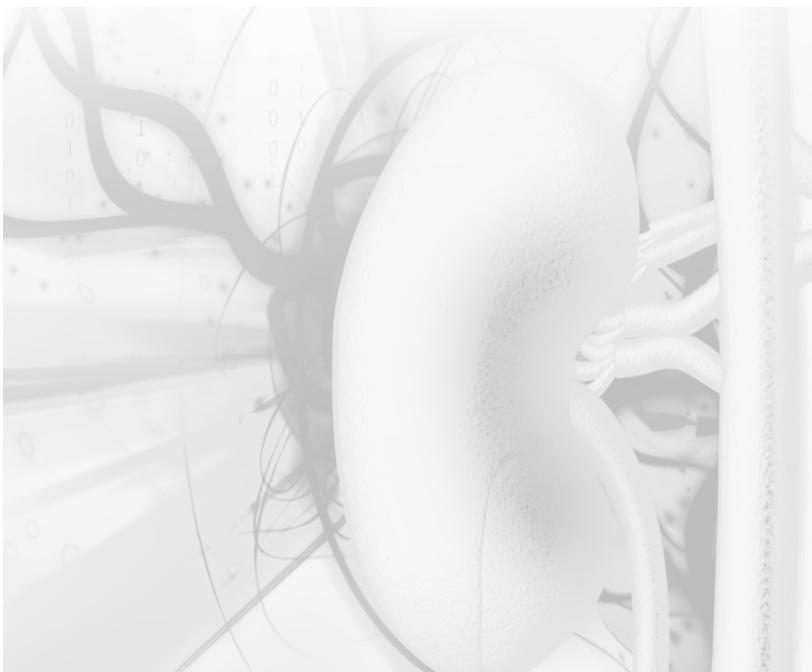

Albert Einstein College of Medicine is an equal opportunity institution. cme@montefiore.org

Accommodation Statement

Accommodations on the basis of disability are available by contacting Specialty Review in Urology: Chicago Course at (212) 201-6862 as soon as possible.

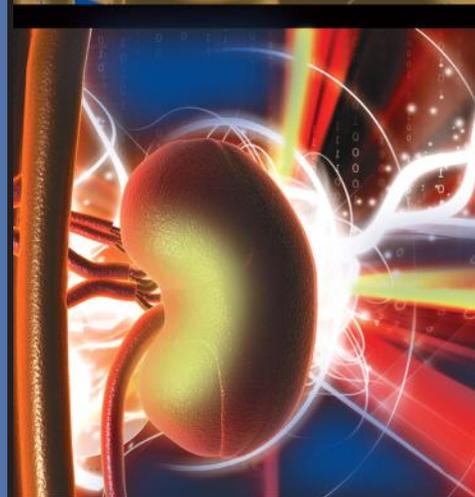

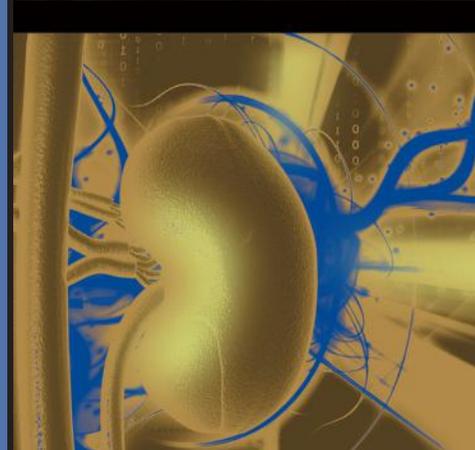

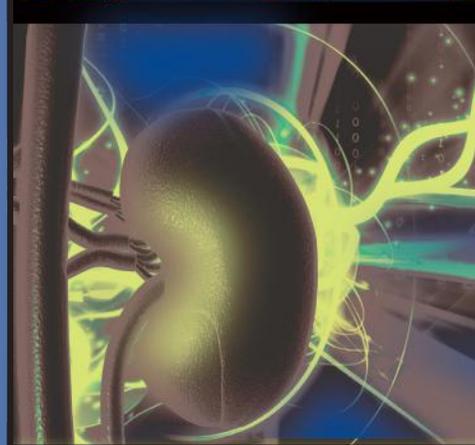

Policy on Faculty, Presenters and Joint Provider Disclosure

The "Conflict of Interest Disclosure Policy" of Albert Einstein College of Medicine requires that faculty participating in any CME activity disclose to the audience any relationship(s) with a pharmaceutical, product, or device company. Any presenter, whose disclosed relationships prove to create a conflict of interest with regard to their contribution to the activity, will not be permitted to present. Albert Einstein College of Medicine also requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device not yet approved for use in the United States. Albert Einstein College of Medicine, CCME staff, has no conflicts of interest with commercial interests related directly or indirectly to this educational activity.
